

SPECIALISED SERVICES

Pre Labour Services

We are able to organise a rotating roster for up to 10 days either side of your due date to ensure someone is available on call at any time of the day* you may require pre labour care of existing children. A non-refundable upfront administration fee of \$65 is payable before we can arrange the rotating roster, with a minimum 3 hours payable to secure your roster once it has been finalised and accepted by you.

If for some reason you end up going into labour at a time a staff carer has not been rostered, or you change your mind and decide to use your own arrangements you will be refunded the minimum 3 hourly fee. Instances where our service is used the minimum 3 hourly fee will be deducted from your total invoice cost with the remainder of fees payable within 7 days of the service being provided to you.
